Assistant Commissioner for Patents Alexandria, VA 22314

Dear Sir,

Applicants have received a written notification of Failure to Acceptably Respond Notice of Non-Compliant Amendment mailed on March 10, 2006. In response to the written notification, please be kindly reminded of the following facts,

On March 4, 2006, an e-mail notice transmitted by Mr. Dave Porta was received regarding the same issue as indicated in said notification, and a Supplemental Amendment in response thereto was already filed with the United States Patent and Trademark Office on March 7, 2006. Said Supplemental Amendment was as well entered according to our observation of information displayed in the PAIR system. However, in the notification of March 10, 2006, the Supervisory Legal Instruments Examiner stated the amendment document filed on December 7, 2005 still failed to provide the corrective action required by the prior Notice of Non-Compliant Amendment mailed on December 2, 2005. Applicants accordingly assume the correspondence might have not been so conveyed forthwith to the Examiner concerned.

Transmitted herewith please find the following documents:

- A copy of the e-mail letter of March 4, 2006 issued by Mr. Dave Porta;
- A copy of said Supplemental Amendment filed on March 7, 2006 in 4 pages;
- A copy of file history obtained from the PAIR system, evidencing said Supplemental Amendment entered on March 7, 2006.

The Commissioner is authorized to charge any fees required in connection with the filing of this paper to account No.: 50-2620 (Order No.:10786-US-PA) to keep this application pending.

Thank you for your assistance in the subject matter. If you have any questions, please feel free to contact me.

Subject: Docket no. 10786-US-PA

> Notice of non-compliant amendment that was mailed 9/23/05 has still not been complied with as claims 1 and 5 reflect the ORIGINAL claims instead of the claims amended in response to the non-final rejection. The text of these amended claims along with the identifier "previously presented" need to be filed along with the required extensions of time. The six month statutory period expires March 23, 2006.
